

READY TO TRAVEL THE WORLD  
*and get paid for it?*

**Have you had a desire to become a travel agent, but you have no clue how to get started?**

Once  
upon  
a time

I got tired of punching a time clock and somebody telling me when I could go on break and eat. A quote that FOREVER stuck with me is: **"You will never live nextdoor to your boss!"**

***Hi, my name is Lynique Browning!***

**I started out probably right where you are.**

I wanted to make more money, and I was not fulfilled with my job. I knew that I wanted to travel and I needed a change in my lifestyle.

I decided to do something about it...

**I always wanted to travel but *2 weeks off was never enough...* I quit my job to work for myself and never looked back!**

I mean I've always worked in the hospitality and service industry so it was already in alignment with what I was already doing & where I wanted to go! *Whew!*

**At one point I was working a 9-5 during the day or I was serving tables during the day and working an afterhours club at night. There was even a point where I worked a 9-5 during the day and was doing security at night. Running around on a hamster wheel with no time for self or rest!**

**I was tired of living JUST OVER BROKE watching my boss go on vacations while we were pressed to hit bonuses by meeting sales quotas & upselling so he'd be the one to shine and so that he could pay on his vacation property and enjoy his family! It was now time to pursue my passion, enjoy life and see the world!**

**I always felt overworked, and underpaid. I couldn't even take off for my own mental health!**

**I had a spiritual awakening & I knew it was time since I knew that I no longer wanted to work for anyone else, and I wanted to travel the world, why not do both?!**

**But besides being able to travel, I didn't know what the other perks were, or even all the ways to make a substantial income or have a successful business.**

*So why did I become a travel agent?*

# There were **3 key benefits** that made me become a travel agent

## *Benefit* #1

### **Flexible Schedule**

Although I am not a mom yet, I loved the idea that I could create my own schedule around my personal/family life. I could live life on my own terms, work from my bed & sleep when I want!

## *Benefit* #2

### **Unlimited Income**

There are so many ways to create additional income as a travel agent. Believe it or not, booking travel is NOT the only way to get paid in this amazing industry!

## *Benefit* #3

### **Travel For Less**

Traveling for a fraction of the price is a #LifeHack! The perks as an agent leaves me speechless! The world is my oyster and it doesn't break my bank to leave home!

My daily life

# During the Pandemic I never stopped traveling!

I have been to Barbados, Cozumel, Cancun, Dominican Republic, Atlanta, New York, Dubai, Abu Dhabi, Las Vegas, Costa Rica, and Jamaica!

I my next stops are Antigua & Barbuda, Bahamas again, Istanbul, Cappadocia & a few more spots before the year ends!

*My Passport is sick of me!*

I decided to take my concierge & travel business seriously  
and my brand continued to grow every single month
